

Text Message (SMS) Consent

We can send you text messages about your child's appointments. **This is optional.** Saying no will not affect your child's care in any way.

WHAT WE WILL TEXT YOU

- Appointment reminders
- Secure links to complete check-in before a visit
- Notices that a billing statement is ready to view
- Automatic replies to messages you send us, giving our office number

Our texts never include medical details: no diagnosis, no reason for the visit, no test result and no amount owed. **We do not send marketing or promotional texts.**

GOOD TO KNOW

- **Message frequency varies** with your child's appointments and account activity.
- **Message and data rates may apply.** We do not charge for these texts; your mobile carrier may.
- **Reply STOP** to any text to stop at any time. **Reply HELP** for help, or call (972) 893-1192.
- **Our text number is not monitored for urgent matters.** Do not text us about a medical problem. Call the office, or dial 911 in an emergency.
- Your mobile number and text consent are **never sold, rented or shared** with any third party for marketing.
- Privacy Policy: careandcurepeds.com/privacy-policy · SMS Terms: careandcurepeds.com/sms-terms

Please tick one box.

- ☐ **Yes**, I consent to receive informational SMS messages from Care & Cure Pediatrics at the mobile number below, including appointment reminders, check-in links and billing statement notices. Reply STOP to opt out; reply HELP for support. Message and data rates may apply. Messaging frequency may vary. Consent is not a condition of my child's care. Privacy Policy: careandcurepeds.com/privacy-policy
- ☐ **No**, please do not text me.
